A vibrant Halloween-themed illustration on an orange background. At the top, a string of black, purple, and yellow beads hangs across the frame. Below the string, various Halloween icons are suspended: a white ghost, a black bat, a yellow jack-o'-lantern, a black witch hat, a black cat with green eyes, and a white ghost. In the center, a large black cauldron with three legs is filled with bubbling green liquid. A wooden spoon rests inside the cauldron. Thick, wavy purple smoke rises from the cauldron. On either side of the cauldron, there are clusters of balloons. Each cluster includes a black balloon with a white ghost, a purple balloon with a white skull, and a black balloon with a white bat. A yellow jack-o'-lantern is also part of each cluster. The word "CAULDRON" is written in white, bold, uppercase letters at the bottom center.
